

LOCAL NEWS.

NEW COURT HOUSE.—It is understood that the committee of the City Council, to whom was referred the communication of Mr. J. E. McGraw, concerning an additional improvement to the market house building, will probably present a report recommending the erection of a Corporation Court Room and the necessary appurtenances, on Cameron street, extending from the Masonic Washington Lodge room to Fairfax street, and including the building at present occupied by the Sun Fire Engine Company, the apparatus of which company is to be removed to what is known as the Star engine house. The contemplated improvement, it is said can be made at a cost to the city of not more than \$2,000.

CHESAPEAKE & OHIO CANAL.—The water will be let off from the Chesapeake and Ohio canal on the 20th proximo and navigation be suspended from that date until the spring. Some of the coal companies have already stopped their shipments, by the canal, though others, including the American, will continue to ship until next Wednesday. It is understood that some portions of the canal, especially the locks, are in great need of repairs, and the suspension of navigation will be availed of to put the entire line in good order for next year's trade. The water will not be turned off from the Alexandria canal until the first freeze.

PREFERRED A WHIPPING.—In the Gazette's police report of yesterday, it was mentioned that two colored men, for disorderly conduct, had a fine imposed upon them, but not having the required amount, they preferred a whipping to the alternative, confinement in the work house, and that the punishment having been inflicted, they were discharged. As the offense with which they were charged was not the first they had committed, and as they had elected to receive stripes, the police officers selected to inflict them, executed their part of the business to the best of their ability.

THE FESTIVAL.—The Festival for the benefit of the Baptist Church, now in progress at the Assembly Rooms, is one of the most attractive ever held in this city, and this fact is attested by the crowd that nightly congregates there. The tables, presided over by some of the fairest ladies of the city, are loaded with articles of every description and of elegant finish; the supper are of the most sumptuous character, and, in short, we know of no place where an hour or so can be more agreeably spent.

SERIOUSLY HURT.—Mr. George W. Harrison, while superintending repairs to his house, corner of Prince and Royal streets, yesterday, was seriously injured by a chip of steel which entered one of his eye balls. Mr. William Javies, while at work upon the same house some days ago, was struck on the head by a piece of falling timber, and also severely hurt, but he has already recovered.

SERIOUS ACCIDENT.—A little son of Mr. Beaudin, five years old, while playing with older companions in the yard of Cox's hotel, this morning, fell from a shed to the ground below and broke his leg just above the ankle. Dr. J. B. Johnson reduced the fracture, and the little fellow is doing as well as could be expected under the circumstances.

RAILROAD MEETING.—The late railroad meeting in this place was attended by a large number of stockholders from the adjacent counties. Mr. Barbour was re-elected President without opposition having received the vote of the State, Corporation and all of the private stock represented. The Board of Directors were, also, re-elected without opposition.

DEATH OF J. M. HARRISON, ESQ.—Passengers by the Washington and Ohio Railroad, this morning, report the death of John M. Harrison, esq., a prominent and influential citizen of Loudoun county. Mr. Harrison died yesterday evening, at his residence near Upper ville after an illness of some weeks.

ST. JOHN'S ACADEMY BATTALION.—The cadets of St. John's Academy, Maj. Ficklin in command, and preceded by the drum corp of the battalion, marched through some of the principal streets this morning, and presented a very creditable appearance.

SANFORD'S ETHIOPIAN OPERA TROUPE.—As will be seen by an advertisement in another column of the Gazette, the famous Sanford Ethiopian Opera Troupe from Philadelphia, will appear at Liberty Hall, in this city on Thursday, Friday and Saturday of next week.

R. R. ACCOMMODATIONS.—It will be seen by the advertisement of the O. & A. M. R. R., that elegant sleeping cars are now run daily between New York, this city and Lynchburg, and that the inconvenience of a transfer at Washington is also avoided.

STAGE LINE.—A stage line will be established early next week between Vienna station, on the Washington and Ohio Railroad, and Fairfax Court House. A line was once before put on this route, but it was taken off some time ago.

PROPERTY SALE.—Messrs. Green & Wise, real estate agents, have sold a part of the vacant lot on the west side of St. Asaph street, between Duke and Wolfe, belonging to Dr. R. H. Stabler, to Mr. S. F. Gregory, for \$650.

CLOSE OF CANAL NAVIGATION.—On the 13th proximo the water in the Chesapeake and Ohio canal will be withdrawn. On the 20th of December it is intended to commence the usual winter repairs.

SPECIAL TRIP.—The steamer City of Alexandria which made a special trip to Washington last night for the accommodation of the theatre goers, brought back seventy passengers.

THE WEATHER.—We had last night the heaviest frost of the season, so far. The ground, early this morning, was covered, as with snow. To-day has been foggy, damp, cold and rainy.

THANKSGIVING DAY.—Yesterday divine service was held in Christ, Episcopal, and the 1st Presbyterian Churches in this city.

TELEGRAPH NEWS.

CIRCUIT COURT.—In the Circuit Court for the county, Judge Keith, on Wednesday, in the case of Monroe and Elieberg vs. J. H. Watkins—case—verdict for the defendant and judgment for costs.

To-day in the case of the Exchange Bank of Virginia, vs. &c., vs. P. H. Hoff—case—verdict for the plaintiff—demurrer overruled and judgment against defendant for damages assessed and interest, less \$108 over calculation of interest by the jury.

Rogers & Co. vs. Witter & Bro.—motion to set aside verdict overruled and judgment according to verdict—judgment suspended for sixty days.

R. M. Newman's adm'r. vs. Geo. Ott Wonder and Jane B. Cockerill—suit abated as to Cockerill and judgment against Wonder for \$90 with interest.

MAYOR'S OFFICE.—John Hall, for disorderly conduct, was in default of the payment of the imposed fine committed to the work house for ninety days.

NIGHT REPORT.—Night clear and cold. There was a ball at the colored Old Fellows hall, one of the attendants at which, dressed in military uniform, was thrown down the stairs. A colored festival was also in progress at the corner of King and Henry streets, the attendants at which were admonished by the police that they were making too much noise. There were two lodgers at the station house. The street gas lamps in accordance with instructions from the superintendent of the gas works were extinguished at 11 o'clock.

THE PILGRIM.—This beautiful exhibition still continues to draw full houses, and those who have witnessed the magnificent paintings speak in the highest terms of praise. The vision of the judgment is grand. Palace Beautiful, River of Life, Land of Beulah are very beautiful; and how could they be otherwise, for this fine work of art is the combined production of nine of the best London artists. The panoramic effects introduced in this exhibition are the finest ever seen, and the transformation scene at the close is a marvel of magnificence. Go and see the Pilgrim; you will never regret it. All the "little folks" should remember the exhibition to-morrow when they will be admitted for 10 cents. To-morrow night is the last time the Pilgrim will be exhibited here.

OPTICAL SCIENCE.—Dr. Bernhardt, still stopping at the Mansion House, has convinced the Physicians and Clergy of Alexandria of his great skill in his specialty as an optician. He ranks as nothing less than an expert in these branches. Opticians are sending him patients daily, and his success in improving their sight by the excellence of his lenses and his very skillful adaptation of them to eyes, seems almost miraculous to those who have been accustomed to buying their spectacles at they would any other article of wear. Those who buy spectacles in this way do not stop to consider how delicate, how complex an organ is the human eye—most wonderful organ in nature—nor do they understand the great risk they run of permanently injuring the vision. Persons who visit Dr. Bernhardt's rooms and see the great variety of beautiful optical goods, the various instruments, and the difficult manipulations required to make and fit the finest eye glasses, will understand the difference between a real scientific treatment of impaired vision and the usual lot or mass plan. A visit is worth any man's while. He will close his office in this city at an early day.
